**EDD Update – Mistalynn Meyeraan** presented the 2024 AGNC Annual Report. She gave a PowerPoint presentation in addition to the printed copies presented. She pointed out that AGNC is now 52 years old. She spoke about the front cover and the phrase, “We Champion Pioneers.” Ray Beck spoke about the good work that AGNC has done and continues to do for the region. He asked if there is an additional symbol to the three in the report that would better represent AGNC. Mistalynn said that is part of why we are working with Prosono for a strategic plan. The annual report can be found on the AGNC website and is published here:
